

**There There** Fierce, angry, funny, heartbreakingâ€”Tommy Orangeâ€™s first novel is a wondrous and shattering portrait of an America few of us have ever seen, and it introduces a brilliant new author at the start of a major career. There There is a relentlessly paced multigenerational story about violence and recover Fierce, angry, funny, heartbreakingâ€”Tommy Orangeâ€™s first novel is a wondrous and shattering portrait of an America few of us have ever seen, and it introduces a brilliant new author at the start of a major career. There There is a relentlessly paced multigenerational story about violence and recovery, memory and identity, and the beauty and despair woven into the history of a nation and its people. It tells the story of twelve characters, each of whom have private reasons for traveling to the Big Oakland Powwow. Jacquie Red Feather is newly sober and trying to make it back to the family she left behind in shame. Dene Oxendene is pulling his life back together after his uncleâ€™s death and has come to work at the powwow to honor his uncleâ€™s memory. Opal Viola Victoria Bear Shield has come to watch her nephew Orvil, who has taught himself traditional Indian dance through YouTube videos and has come to the powwow to dance in public for the very first time. There will be glorious communion, and a spectacle of sacred tradition and pageantry. And there will be sacrifice, and heroism, and unspeakable loss. Here is a voice we have never heardâ€”a voice full of poetry and rage, exploding onto the page with stunning urgency and force. Tommy Orange writes of the plight of the urban Native American, the Native American in the city, in a stunning novel that grapples with a complex and painful history, with an inheritance of beauty and profound spirituality, and with a plague of addiction, abuse, and suicide. An unforgettable debut, destined to become required reading in schools and universities across the country. ...more There There PDF ebook
